About Lotus

Group Lotus plc, is based in Norfolk, UK, and has three operating divisions: Lotus Cars, Lotus Motorsport and Lotus Engineering.

Lotus Cars builds world class, high performance sports cars including the award-winning Evora, the iconic Elise, the stunning Exige, the road / track orientated 2-Eleven.

Lotus Motorsport operates the motorsports activities of Lotus and includes the strategy to return the Lotus name to a great number of series including Endurance racing with GT2, GT4 and LMP2, single seater racing with GP2, GP3 and IndyCar. Lotus has also returned to F1 with Genii Capital and this partnership sees the Renault F1 Team renamed as 'Lotus Renault GP' from the start of the 2011 F1 racing season onwards.
